Re: A hybrid approach consisting of multi-objective and multivariate analyses for WAAM specimens by Bhadrakali et al

Dear Ms Bhadrakali,

Your article has been published on IOPscience with the following
DOI: https://doi.org/10.1088/2631-8695/acc9fd

Note that the article DOI link above can take up to three hours to become active. Please follow our guide to promoting your article to help other researchers find your article.

We are interested to hear your thoughts as a published author on how we can improve our author services. Share your views with us in our Publication Experience Survey. (Please be assured that we will only use your details for the purposes of the survey.)

Thank you for your support of Engineering Research Express. We look forward to working with you again in the future.

Best regards,

Emily O'Donnell
