ICAECT 2024 invites full length original research contributions from engineering professionals from industries, R&D organisations, academic institutions, government departments and research scholars from across the world. Full length original research contributions and review articles not exceeding six pages as per the IEEE double column format shall be submitted. The manuscript should contribute original research ideas, developmental ideas, analysis, findings, results, etc. The manuscript should not have been published in any journals/magazines or conference proceedings and not under review in any of them. Further the manuscript should contain the name of the corresponding author with e-mail id and affiliation of all authors. Authors are requested to submit their full length research papers (pdf) to ieeeicaect@gmail.com. All the submitted manuscripts will be sent for peer review and the corresponding author will be notified the outcome of the review process. If reviewers recommended for further improvements in the manuscript, the manuscript will be sent back to the corresponding author and the revised version of the manuscript shall be submitted within fifteen days on the date of notification.

**Paper selection process #**

**Step 1 (Received)** Abstracts* / full length papers received will be given paper ID** in relevant to the conference topic and track.

**Step 2 (Under Screening)** Initial screening review will be done by the Technical Program Committee of ICAECT. Initial screening include relevance to the conference topic, plagiarism***, organization of the paper, quality of figures /diagrams /illustrations/equations and etc.

Step 3 (Under Review) Papers got through Step 2 alone will be forwarded to technical review process.

Step 4 (Revision) Corresponding author will be notified the outcome of the review process and the revised version of the manuscript shall be submitted within fifteen days on the date of intimation.

Step 5 (Under Review) Revised version of the papers will be sent for reviewer to ensure that all the suggested corrections have been carried out. If the reviewer recommended for minor revision TPC recommends its decision to the organizing Chair on the paper.

Step 6 (Accept / Reject) Final decision will be taken by the organizing chair based on the recommendations by the reviewers / TPC and the same will be intimated to the corresponding authors.

Step 7 (CRP Received / Not Received) status of the Camera Ready Paper after the acceptance.

Step 8: (REG Complete / Pending) Status of the registration

# No paper will be accepted without screening review and technical review process

* Full length papers shall be submitted in order to consider the paper for review process.

** Paper ID will be provided all the received papers with in ONE working day from icaectoffice@gmail.com. Authors are requested to contact the TPC through icaectoffice@gmail.com, if the paper ID had not received within the time frame.

*** TPC of ICAECT check for possible plagiarism TWICE, first after receiving the paper and then at the stage of acceptance. Though ICAECT carefully check for plagiarism there are some possibilities for wrong plagiarism results, hence ICAECT encourages the authors to take sole responsibility for plagiarism when they submit their papers.
